Diana "Di" Saldivar  
Career Advisor & Industry Engagement  
858-534-9170  
Dsaldivar@ucsd.edu

PROFILE

Diana “Di” brings her experiences in Workforce Development and the Non-Profit industry to UC San Diego as the Career Advisor and Industry Engagement Manager for the MAS Programs. She works with individuals at all stages of their vocational journey, including those transitioning into new industries, looking for a first job, and re-entering the job market.

Providing career development and transition assistance, Di offers the latest information on current economic trends, job searching techniques, career-building strategies and interpersonal communications. As the job search process dramatically changing with the growth of social networking tools, Di specializes in utilizing social media as a business tool to help professionals learn how to optimize their brand persona, communicate their value to attract and engage with connections that’ll help them toward their goals.
