

24 Month Pace of Study

	SUMMER	FALL	WINTER	SPRING	SUMMER	FALL	WINTER	SPRING
Mandatory Classes (15 Classes)								
CLRE 251: Epidemiology I					X			
CLRE 257: Epidemiology II						X		
CLRE 253: Biostatistics I			X					
CLRE 254: Biostatistics II				X				
CLRE 258: Professional Development A				X				
CLRE 258: Professional Development B		X						
CLRE 250: Patient-Oriented Research I					X			
CLRE 256: Patient-Oriented Research II						X		
CLRE 259: Scientific Communication Skills	X							
CLRE 236: Translational Research Fundamentals			X					
CLRE 255: Data Management/Informatics		X						
CLRE 252: Health Services Research	X							
CLRE 295A: ISP Seminar Series A						X		
CLRE 259B: ISP Seminar Series B							X	
CLRE 297: Independent Study Project (ISP)								X
Elective: Experiential Learning (2 Classes)								
CLRE 240: Diversity in Clinical Research*		X						
CLRE 237: Translational Regenerative Medicine*			X					
Elective: Advanced Statistics (2 Classes)								
CLRE 263: Longitudinal Data Analysis*							X	
CLRE 267: ML/Predictive Analysis in Biomed.* Research				X				
Elective: General (1 Class)								
TBD								X
